

Calling All Bakers!

Everyone loves home baked goodies! That's why the Ma'ema'e Family Night Bake Shop booth attracts so many people every year.

In order for the Bake Shop to have all those yummy treats, we need to ask our Ma'ema'e Ohana to donate baked goods. So roll up your sleeves and have some fun in the kitchen! **This year, due to staff shortage, the school cafeteria is not able to bake cookies to supplement the donations so we need the Ma'ema'e Ohana to come through more than ever.** With your help, we can make this year's Family Night another huge success!

A donation drop-off will be set up the morning of Family Night. Volunteers will be at the mural fronting the 1<sup>st</sup> grade building from 6:30 a.m. to 8:30 a.m. on May 5th to accept your 'onolicious treats as you bring your keiki to school.

Please cut off the slip below and attach it to your baked goods so that we can properly label your treat.

Proceeds generated through your generous donations will benefit the computer and science labs, purchase educational support materials, afford special activities/events and cover costs not subsidized by the Department of Education. Thank you in advance for your precious time and generosity.
